

Pro-Pack Pvt Ltd - Company Profile

Pro-Pack Pvt Ltd, is a company which makes 3 layer blown film. Our company specializes in making Shrink film and stretch film, which are used in the packaging of various products. We are an ISO 22000:2005 & 9001:2015 certified company.

Pro-Pack offers you an exceptional choice of plain collation shrink film for all your pack collation requirements. These shrink films are ideal for the food and drink sectors, among many others. Our Shrink films help ensure the safe transportation, storage and display of products, collating a number of items within one pack.

Our lightweight and low-cost collation shrink films shrink to fit using standard heat processes, holding products both securely and economically.

Our mission: To tailor a company with the flexibility to fill orders of all kinds and to consistently provide our customers with a superior product, outstanding customer service, and the quickest turn around in the industry.
